

Remarks to Claim Amendments:

Throughout claims 19 through 48 it was noted that there were numerous occasions where the term “the said” or “the” was utilized. These were all changed to the term “said”.

Some of the claims were improperly drafted as being multi-dependent claims of multi-dependent claims. These have been changed as well.

In Claim 19, the terms “and other items” and “or other items” were deleted as being too vague. In step b. the term “and said memorabilia” was added even though the memorabilia was already stated as being in the memorabilia holders in step a.

In Claim 21, the term “it” was deemed too vague and was replaced with “said stand, said hard base, said hard cover, said memorabilia holders and said memorabilia”.

In Claims 22 through 26 were changed from multi-dependent claims to dependent claims.

In Claim 28 was changed from a multi-dependent claim to a dependent claim and replacing the term “that includes: a. placing and removing a hard cover over the said stand when desired; and b.” with “wherein:”

In Claim 29 was changed from a multi-dependent claim to a dependent claim, the terms “the steps of” was added after the term “includes” and the item c. term “a means for securing and unsecuring the” was replaced with the term “securing”.

In Claim 30 was changed from a multi-dependent claim to a dependent claim.

In Claim 32 part d. i. the term “comprises” was changed to “comprising” and in part d. i. 2. the terms “holder(s)” and “rod(s)” was changed to the term “holders” and “rods”.

In Claims 33 and 34 the term “stand” was changed to “system and means”.

In Claim 35 the term “hard cover” was changed to “system and means” and the term “to claim 34” was changed to “to any one of claims 32 through 33”. In part c. the term “a means for” and the term “and unsecuring the” was deleted. And the term “holder(s)” was replaced with the term “holders”.

In Claim 36 the term “stand” was replaced with the term “system and means” and the term 35 was changed to the term 33.

In Claim 37 the first term “flexible cover” was changed to “system and means” and the term “as in claim 36” was changed to “as in any one of claims 32 through 33. The

second term “flexible cover” was changed to the term “stand. The term “a. a flexible cover” was added after the term “includes” and part b. was added as the term “and b. said flexible covering being available in a variety of colors, textures, materials and/or patterns.”

In Claim 38, the term “A memorabilia holder” was changed to the term “The system and means” and the claim was changed from a multi-dependent claim to a dependent claim.

In Claims 39, 40 and 41, the first term “memorabilia holder” in each claim was changed to the term “system and means” and all three claims were changed from multi-dependent claims to dependent claims.

In Claims 42, 43, 44, 45 and 46, the first term “carrying case” in each claim was changed to “system and means” and each of the claims was changed from a multi-dependent claim to a dependent claim.

In Claims 47 and 48, the first term “memorabilia holders” was changed to the term “system and means” and both claims were changed from multi-dependent claims to dependent claims.
